COVID-19 Testing Compliance Attestation – at The Loyola University Fitness and Aquatic Center

Loyola University Maryland requires visiting clubs/groups to verify that all coaches and swimmers necessary for the operation of the event have either been vaccinated for COVID19 or have received a negative COVID19 test result within 72 hours of your visit the Loyola University Maryland campus and facilities. This test can be a Rapid, PCR, or at home test.

This form is to be completed by a group representative by 6:00 pm the day prior to competition.

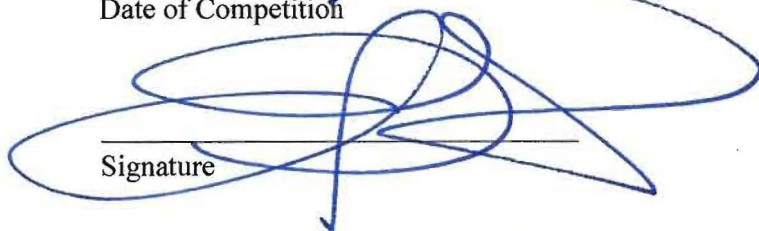

By signing this form, I attest that our organization is compliant with the COVID-19 testing protocol required by Loyola University Maryland to visit our campus and facilities.
