| Officials  Turn official. The large teams should plan to provide more.  If more officials volunteer, the meet referee will relieve officials at the break.  Timing:  Timing will be done using the Colorado Timing System.  To back up the CTS, two timers will have a CTS backup button.  Each lane will also have one Dolphin electronic stopwatch as a tertiary backup.  We will run the meet with two (2) timer per lane. Timing responsibilities for each lane will be assigned to a specific school. Lane assignments will be published separately with the warm-up schedule.  Starting Procedures  The Referee and Starter will use a whistle start procedure for this meet.  The whistle start procedure is used at all VISAA State Championship meets  The procedure will be as follows:  4 or 5 consecutive whistles means get ready  The starter will announce the event  1 long whistle means to step up on the block  For backstroke only, there will be another long whistle in lieu of a command to place your feet  The starter will simply say "Take Your Mark" and a horn will signal the start.  We will use dive-over starts to keep the meet moving quickly. Swimmers should not exit the pool until the next heat has started over top of them.
