USA Observed Swims	<ul style="list-style-type: none"> • Times swum by USA swimmers at this meet will be recognized by Virginia Swimming IF we can provide the names of two (2) USA-certified Stroke & Turn officials who will officiate the meet. • There have been many changes implemented for USA Swimming’s national database, SWIMS. To ensure that times are recorded properly by Virginia Swimming, Coaches should ensure that your USA Swimmers are entered with using the legal first and last names and birthdate that correspond to their USA Swimming registration. To ensure that this happens, please update your Team Manager software with that information. The good news is that member IDs are no longer needed for USA-S registered athletes.
Timers:	<ul style="list-style-type: none"> • Timing will be done using the Colorado Timing System. • To back up the CTS, two timers will have a CTS backup button. • Each lane will also have one Dolphin electronic stopwatch as a tertiary backup. • We will run the meet with two (2) timer per lane. Timing responsibilities for each lane will be assigned to a specific school. Lane assignments will be published separately with the warm-up schedule. • Each responsible school may recruit and substitute their timers however they wish, as long as there are always two (2) timers present during the competition. • If your school is not specifically listed, please plan on providing at least one timer if you are able. A shared burden is not heavy.
Starting Procedures	<ul style="list-style-type: none"> • The Referee and Starter will use a whistle start procedure for this meet. • Whistle start procedures are used in USA Swimming and will be used at the VISAA State Championship meet. • The procedure will be as follows: <ul style="list-style-type: none"> ○ 4 of 5 consecutive whistles means get ready ○ The announcer will announce the event ○ 1 long whistle means to step up on the block ○ For backstroke only, there will be another long whistle in lieu of a command to place your feet ○ The starter will simply say “Take Your Mark” and a horn will signal the start. • We will use dive-over starts to expedite the meet.
Spectators and Live-Stream	<ul style="list-style-type: none"> • Spectators are encouraged to join us inside the WARF. • Spectators may also watch the meet live on-line. See the live stream on the Seton Swimming website Videos page: https://setonswimming.org/videos/
